Discipline procedures and policies are a very important part of daycare and youth experience. These policies will help children learn how to get along in the world, enjoy being with other children, and follow the direction of an adult other than their parent. A caring and positive approach will be taken regarding behavior management and discipline. Teachers will focus on positive behaviors of the children and reinforce those behaviors as often as possible. Our goal is to help children develop self-control and responsibility for their actions. Our disciplinary procedures are comprised of the following strategies:

- Encouraging children to use their words when having a disagreement with another child.
- Redirecting behavior.
- Separating a child from the group (i.e. "time out")—one minute for each year of age.
- Counseling children individually about their behaviors.
- Making parents aware of disciplinary concerns (i.e. Incident Report).

The following behaviors are examples of disruptive behavior:

- Requires constant attention from the staff.
- Inflicts physical or emotional harm on other children, adults, or self.
- Disrespects people and materials provided in the program.
- Consistently disobeys the rules of the classroom.
- Verbally threatens other students and/or staff.
- Uses verbal or physical activity that diverts attention away from the group of children.

Disruptive behavior will be addressed in an incident report. This will be completed to document any inappropriate behaviors that directly impact other children, staff members, or the group.

Informal Discussion

Before taking formal disciplinary action, the YMCA staff will make every effort to resolve the matter by informal discussion with the child/student and parent. If this fails to bring about the desired improvement or if the action(s) warrant, the formal disciplinary procedure may be implemented.

Formal Discipline

If conduct or behavior continues past an informal discussion or is serious enough to warrant formal discipline, the child/student will progress through these levels of formal discipline. Depending on the severity of the behavior or actions, steps may be skipped.

- Verbal warning
- Written warning
- Suspension
- Dismissal

Gross Misconduct

A child/student may be immediately dismissed or suspended without notice on grounds of gross misconduct. Fighting, leaving the site without permission, stealing, attacking or striking staff, bringing weapons, drugs, or illegal materials of any kind may all be considered gross misconduct.

By signing below, child/student(s) and parents understand and agree to abide by the written policies as stated within this document.
